The Club at Briarcliff Manor, the region's premier senior living community under development in Briarcliff Manor, recently sponsored a concert by the Westchester Chamber Music Society (WCMS) featuring the renowned Ariel String Quartet.

The concert, which was held December 4 at Congregation Emanu-El of Westchester in Rye, featured works by Mozart, Janacek and Brahms. The performance was followed by a reception, during which audience members had an opportunity to meet and talk with the musicians and a representative from The Club.

"We are very grateful for the generous support of The Club at Briarcliff Manor in

helping us bring to Westchester this world-class string quartet," said WCMS President Dr. Caroline Bauman. "It was a magnificent concert and everyone was thrilled with the performance."

WCMS, which celebrated its 60th anniversary last year, has been committed to bringing first-rate artists to Westchester, which have included the Tokyo String Quartet in their Westchester premiere and renowned cellist Yo-Yo Ma.
